

RED LEVEL NETWORKS ANNOUNCES JENNIFER SWIDERSKI HAS JOINED THE FIRM AS MARKETING MANAGER

Contact: David King
Phone: 248-412-8200

Date: 1/19/2009

NOVI, Mich. - January 19, 2009 – Red Level Networks, a Novi, Michigan based, full service for Advanced Infrastructure Networking solutions provider proudly announces that Jennifer Swiderski – Marketing Maven has joined their team as the newly created position of Marketing Manager. Ms. Swiderski is happily embracing the responsibilities for all corporate marketing, public relations, a variety of technological campaigns, all tradeshow and event management, planning and coordination, as well as developing new business for Michigan. David King, President of Red Level Networks states, "Jennifer's enthusiastic initiative to continuously strive for challenges and ongoing campaign improvements will be instrumental in the growth and success of Red Level Networks." Ms. Swiderski is a 20 year marketing veteran in the IT industry with extensive experience in the software and hardware industries, where she has globally developed, planned and implemented a multitude of corporate events, tradeshow and successful marketing campaigns.

Ms. Swiderski remarks, "I have developed an aggressive and exciting marketing campaign agenda and am looking forward to managing our events with the inception, coordination, measuring strategic results along with seeing the fruition of more business being generated. I am so looking forward to the continuing success of Red Level Networks, our sterling reputation with our established and impressive client base and we are embracing the future relationships that will be created through new business in 2009."

A Listing of just some of the events confirmed for the first six months of 2009 are:

- 1) Dedicated weekly Cymphonix Webinars where Educators and Business Owners can learn all about Network Composer's Content Filtering and Bandwidth Management from the comfort of your office chair. The first webinar takes place January 29th at 2pm. Other dates to follow are February 5th at 11 am, February 12th at 4 pm, February 19th at Noon and February 26th at 2 pm. More dates have been set through December 2009.
- 2) There will be monthly events featuring Xiotech's Storage Solutions – a new and unique foundation for data storage. There is a February 18th Lunch and Learn event, "Technology in a Tough Economy" beginning at 11:30 am and wrapping up at 2 pm at the Red Level HQ in Novi. Also, a "Going Green" Technology Event on St. Patrick's Day, from 4 pm to 6:30 pm at Grizzly Peak Brewing Company in Ann Arbor, and there will be an "Executive Breakfast Seminar" at the Microsoft Office in Southfield on April 28th from 8:30 am to 11 am.
- 3) Please stop by and visit us at our Exhibit Booth at the Michigan Association for Computer Users in Learning (MACUL) Conference from March 18th – 20th at Cobo Center in Detroit. More details may be found at www.macul.org.

4) Arriving just in time for summer, the excitement of the CISCO Network On Wheels – NOW Van, equipped with the latest CISCO networking technologies will be brought directly to you at a fun and great location in Novi, June 26th from Noon until 6 pm. Stay Tuned for more info!

Many more events will be announced, so please visit our website at www.redlevelnetworks.com or simply e-mail: jswiderski@redlevelnetworks.com for more information and details.
